SUMMARY

Recent Bachelor's graduate in Computer and Software Engineering with practical experience in full-stack development and agile team environments. Developed robust web applications and contributed to projects during technical leadership roles, demonstrating strong problem-solving and continuous learning skills. Brings a solid foundation in software systems and keen adaptability to cloud-based and DevOps practices.

EDUCATION

Apr 2021 - Jun 2025

UNIVERSITY OF RWANDA

- Bachelors Degree, Computer and Software Engineering

2016 - 2019

KIZIGURO SECONDARY SCHOOL

- A2 Diploma, in MPC (Mathematics, Physics and Computer science)

WORK EXPERIENCE

Food Bunles

2025

Software developer

- Developing platform connects farmers and restaurants with food bundle company by using Nodejs on backend and Nextjs on frontend

Andela Technical Leadership Program (ATLP)

2023 - 2024

Full Stack Developer

- Completed a competitive 9-month full-stack development program combining intensive training and real-world apprenticeship projects. Collaborated within agile teams to develop an e-commerce platform using React, Node.js, TypeScript, and PostgreSQL, and contributed to the DevPulse.org project by implementing key features and resolving technical issues. Applied CI/CD pipelines, automated testing (Jest, Mocha/Chai), Docker, and Git for version control, while following agile practices and demonstrating strong problem-solving skills throughout project delivery

Ireme Impact

2024 - 2025

Software developer Technical Team Lead at Ireme Impact

- Mentored junior developers and facilitated their progression to full-stack capabilities, utilizing modern technologies and agile scrum methodologies to enhance team performance and project delivery

Teaching

2023 - 2024

Computer Science Teacher A-Level

- I worked as a Computer Science teacher in the Candidate Libre program, teaching the full A-Level. I later became a coaching teacher, helping students understand computer science lessons.

SKILLS

- Project Management
- Public Relations
- Ability to work effectively in a team
- Time Management
- Good leadership
- Effective Communication
- Critical Thinking

LANGUAGES

- English: Fluent
- Kinyarwanda Fluent
- Kiswahili: Basic
- French: Basic

CERTIFICATE

- Andela
- Cisco
- EF English Training
